COVID-19 GUIDANCE FOR MATCHES – GENERAL INFORMATION – 20th August 2020

Woburn & Wavendon FC has reviewed and followed the FA and Government guidelines for our members to return to footballing activity. The safety of all players, parents/carers and coaches is paramount and everyone involved with grassroots football must play their part to ensure we all adhere to the FA and Government guidance for the phased return of sport.

A copy of our risk Assessment for hosting fixtures can be found [here](#) and details of our COVID-19 Officer are listed below:

As per Government guidance and to support NHS Test and Trace, a register will need to be kept of every member in attendance and held for 21 days. Our WWFC teams will not provide a list of attendees as this is submitted to our Club COVID-19 Officer (Asad Asif) and held at club level to manage our members information. Our team manager will act as the 'lead contact' of the group for the all visiting players and will provide their contact details (name and telephone number) for your club to keep on record along with our Club COVID-19 Officer's details if required.
