

# PARKING AT WATSON'S FIELD, LITTLE BRICKHILL

## Background

Now the new housing development opposite Watson's Field has completed with new residents in place, we need to adjust parking procedures in order to minimise congestion and have regard for residents and their access.

## New parking arrangements

Please encourage all vehicles to park on the south side of the roundabout on the approach to the playing field (see below).

Advised parking 

*Many thanks for your cooperation & support.*
