PARENTAL CODE OF CONDUCT 2020/21

1. Do not force your child to train or play, especially if they do not want to take part in sporting activities.
2. Do not forget that the children take part in Football for their own enjoyment, not yours.
3. Encourage your child to always play by the rules.
4. Help your child to understand that 100% effort is as important as victory. This will help them to accept results without undue disappointment.
5. Turn a defeat in to a positive thing by helping your child to improve their abilities and develop their team and sporting spirit. Do not ridicule or get angry at your child if they make a mistake or their side lose a game.
6. The best way for a child to learn, is to follow the adult's example. Acknowledge a game was well played, whether by your child's team or their opponents.
7. Do not argue in public with the decisions taken by the officials. Do not doubt their fairness or be abusive towards them.
8. Recognize the value and importance of the voluntary coaches. They give their time and efforts freely to enable your child to enjoy their football.
9. Be supportive of your child's Managers/Coaches and the other Club officials, and recognize the work they put in so that the Club can function.
10. Do not approach the Manager/Coaches directly with any issues after a game. All matters should be discussed with the team Manager/Coach 24 hours after the game.
11. All team coaching of tactics, be it in training or in match situations, is to only be done by the Team Manager/Coaches, not by parents or family/friends watching. This way the team players will not become confused or upset if being given conflicting instructions. The parent's role is only to encourage and support the team players.
12. The behavioural and discipline management of the team during training and match days, will be governed by the Team Managers/Coaches. If a situation arises, it will be discussed and agreed with the parents. It is understood and acknowledged by the Club that the child will always listen and take instructions from the parents first and foremost.

13. Please volunteer to help out at all of your child's games, whether it be setting up or breaking down the goals, respect barriers or corner flags. This applies equally to all age groups.
14. Be aware of the Club's rules and constitution and the discipline and child protection procedures. Be supportive of these initiatives – they may help answer many of your questions. Copies of any of the documents can be obtained from the Club website – ww-fc.co.uk

IMPORTANT INFORMATION

- Team organisers are only responsible for the personal safety and well-being of individual members during Match or Training session times. Once a child leaves the Playing/Training area – Whether it is Astroturf or grass – they are no longer the responsibility of the Club officers, the responsibility then returns to the parent/guardian.
- It is VERY IMPORTANT that you arrive and then collect your child at the correct times on Match days and Training sessions.
- Any Match kit provided is the property of WWFC and, should your child leave the Club, the Match kit must be returned to their manager for re-use. If you are unable to return the kit, you agree to pay a (nominal) replacement charge of £50.
- During the playing season concerned NO CHILD will be registered as members of the Club UNTIL their initial membership fee payment has been made. All subsequent payments must be made by using the Club registration software, and be pre authorised. This software is currently LoveAdmin.
- As parent/guardian, you will be expected to support the Club procedures and policies.
- You agree that your email address can be used to send email communications about club events and initiatives. Your email address will not be passed to anyone outside of the Club.

Woburn & Wavendon FC is organised on a purely voluntary basis. We cannot function unless parents are willing to play their part in helping to run the Club for the children. When enrolling your child to play for the Club, you are joining as a member too. This means you will potentially be asked to give up three hours each year to help with various fund raising events (e.g. Club football tournaments). By signing this membership form, you agree to help out when asked and if possible. Without your help fundraising, the Club will not be able to continue offering the services it does to all children belonging to it. Please be assured, we are always grateful for any support and assistance you can offer.
